Little Voices Mzansi

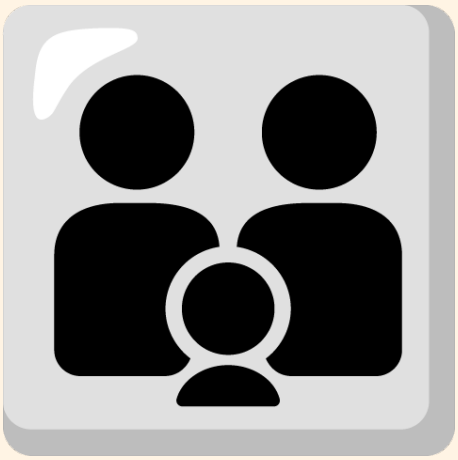
English isiXhosa isiZulu



How to play (for grown-ups)

1. Cut along the dashed lines. Card stock or laminating makes them last.
2. Show one card. Say the word slowly, then wait 3-5 seconds.
3. Any try counts — a sound, a point or a smile. Praise the effort.
4. Say it in a second language, then go back to the first.
5. Five minutes a day, together, beats an hour alone.
